

Census 2020: Washington Nonprofits is here to Support You!

As our state's association for all nonprofits, we are here to be a resource to your nonprofit or community group for all things related to the 2020 Census. We know how busy you are, so our goal is to make it easy for you encourage your community to get counted. Below are some of the ways we can help.

Free Outreach Materials

Visit www.washingtonnonprofits.org/2020Census to access the materials in our 2020 Nonprofit Census Action Kit. You can download and print posters, stickers, handbills, and other items, or you can email david@washingtonnonprofits.org to request items through the mail.

Census Cohort

Washington Nonprofits is convening a cohort of nonprofit organizations who are doing Census work via a listserv and occasional videoconferences. Our Cohort will be a forum for sharing information, exchanging resources and materials, and building new partnerships between nonprofits. Email david@washingtonnonprofits.org to learn more and get involved.

Technical Assistance

Have a Census question? Not sure how to get started with Census work? Or just want to bounce ideas? We're here to help, so just send us an email and we'll set up a time to provide individualized help and support to your nonprofit.

Partner Matching

Don't go it alone while doing Census work! Tell us where you're working and what you're doing so we can connect you to potential partners. Building partnerships will reinforce messages and activities in communities, so don't miss out on amplifying your impact.

Information Updates

Join our Census listserv to receive the latest updates on the 2020 Census via email. We'll be sending out breaking news, funding opportunities, and information about tools created by partner organizations. Sign up by emailing david@washingtonnonprofits.org.

Educational Webinars and Materials

We'll be hosting a series of webinars about the Census and curating information to help nonprofits. Make sure you stay connected to us so you don't miss opportunities for learning and action.
